\$32.80	3" Water Meter	\$38.30	3" Water Meter
\$52.50	4" Water Meter	\$57.50	4" Water Meter

**Annual Sewer Use Fee Calculation:**

All sewer use fees shall be calculated on the basis of water consumption for the billing months of January, February, and March (of the current year) with said sewer use fees to be calculated at **\$2.20 per 1,000 gallons** of the three months' average water usage. Said calculation to be made each year for each utility customer, with the exception of the Campground Dump Stations\* and **those customers classified in a distinctive sewer use class or rate.** This rate shall be effective with the billing month of April of each year.

**Exceptions:**

**Monthly Sewer Use Fee for Urban Residential Customers with no Water Usage:**

Urban Residential customers having no water usage during the billing months of January February and March shall pay a sewer use fee based on an average sewer use fee for all residential customers. Said average to be calculated on water consumption for the same period described in the preceding paragraph and shall be implemented at the same time each year as the new sewer use fees.

**Monthly Sewer Use Fee for New Urban General Service and Rural General Service Customers:**

New customers may be assessed a sewer use fee equal to a like business if there is a basis for this charge; otherwise, they will pay an estimated sewer use fee until they have established the above basis for consumption.

**Partial month billing commercial, industrial or municipal:**

Commercial and industrial customers who do not utilize the sewer service for a full billing period, either having their service disconnected as for a final billing or having a service connected, may have their sewer use fee prorated on a percentage\*; thereafter, they shall be billed in the manner prescribed by this rate schedule. (\*Percentage=number of days of service divided by number of days in billing period times the established sewer use fee, which includes the administrative/minimum charge.)

**Campground Dump Stations\***

The lowest applicable Minimum Urban General Service or Minimum Rural Service fee stated above, with said fee to be billed as an ongoing monthly service charge.
